

## City Championship and Knickerbocker-Masters Tournament Tie Game Procedures

All FIFA Laws along with AYSO and Region modifications will apply to City Championship Tournament play. If there is not a winner at the end of regulation time the following procedures apply.

### **Penalty kick shoot-out for regular and semi-final games:**

In the case of a tie game, the referee will conduct a penalty kick shoot-out (Refer to FIFA Laws of the Game 2007/2008 page 54 for full details).

- Subject to the conditions explained below, both teams take five kicks
- The kicks are taken alternately by the teams
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken
- If, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, kicks continue to be taken alternately by the teams until one team has scored a goal more than the other from the same number of kicks
- Each kick is taken by a different player and all eligible players must take a kick before any player can take a second kick
- An eligible player may change places with the goalkeeper at any time when kicks from the penalty mark are being taken

### **Note that SCAYSO makes the following modification:**

ALL players at the game are eligible to participate and not just players on the field at game end. No player is excluded to even the number of players from each team.

### **Overtime period for the final games:**

**For the final games only (which are the games on Sunday), the referee will conduct a 10-minute overtime period if needed.** The referee shall conduct a coin toss to determine which team will kick off. At approximately five minutes, the referee will stop the game and teams will switch sides. The other team will kick off. **(Note this is NOT a sudden death situation – the entire 10-minute overtime must be played.)** If no winner is declared at the end of the overtime period, then the penalty kick shoot-out will be conducted.
